ADDENDUM #1

RFP #2018-003

For

Strategic Transportation Master Plan

1. The location of the pre-proposal meeting has been changed to the City Annex located at 4228 First Avenue Tucker, Suite 4.
2. Be advised that DeKalb County will begin work on a Comprehensive Transportation Plan in the next few months. The selected consultant for the City of Tucker plan will be required to closely collaborate with DeKalb County, their CTP consultant, and their stakeholder groups in order to create two separate, but cohesive transportation plans.
3. As this will be the first transportation plan for the City of Tucker, it is crucial for the consultant to provide supporting data for recommended improvements. While Task 1 requires the modeling of specific transportation criteria, the City will consider other methods proposed by the consultant to substantiate proposed transportation improvements.
