

City Of Tucker

CITY STANDARDS GUIDEBOOK

Mayor & City Council Kick-Off | June 26, 2024

AGENDA

- Introduce the scope and the process
- Show you some ideas
- Get your feedback

INTRODUCTION

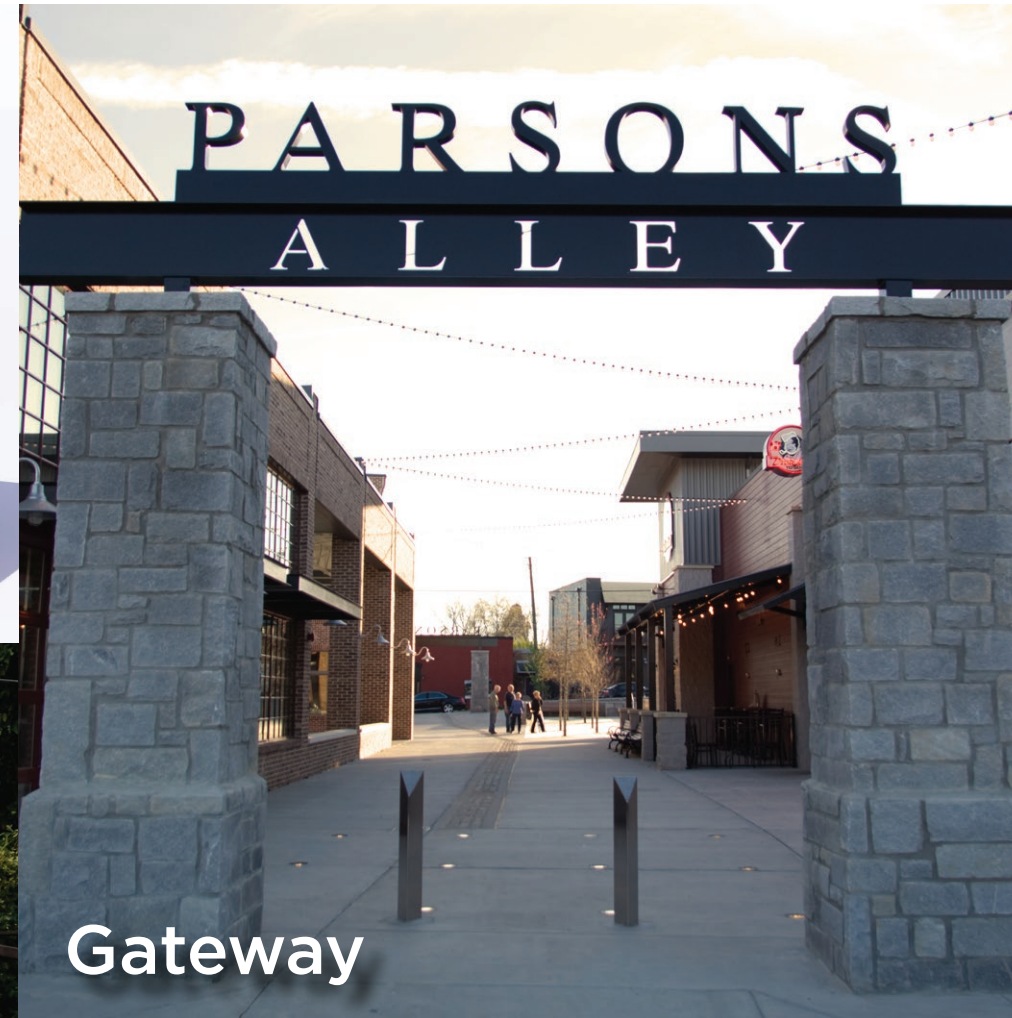

WHAT ARE WE DOING?

Developing a resource to standardize City signage.

- Gateways, including a gateway arch for Downtown Trail
- Wayfinding
- Plaques
- City limit signs
- Park signage (kiosks, park rules, etc)
- Banner support structures
- Trail signage
- Artistic signage, and/or “selfie art”

Monumental Signs

Gateway

Gateway Arch

Selfie Art

Park Kiosks

WHAT ARE WE DOING?

Developing a resource to guide design decisions for public spaces.

- Benches
- Trash cans, recycling bins, dumpster enclosures, pet waste disposal
- Lighting
- Streetscape design & elements
- Street signposts
- Street name signs and sign toppers
- Bollards (material, colors, etc.)
- Center island design for roundabouts
- Crosswalks and ADA ramps standards
- Manhole cover designs
- MARTA bus shelters
- Landscaping
- Retaining wall and fence materials

Fencing & Landscaping

Street Furniture

Bioswales

Site Walls

Bus Shelters

WHAT ARE WE DOING?

Creating options for sustainable development that may include..

- Land use
- Transportation
- Materials management
- Energy
- Water

HOW ARE THESE IDEAS APPLIED?

- Only City signage will be impacted.
- Landscaping guidelines only apply to projects involving the public realm.
- Private spaces (yards, amenity centers, etc.) will not be required to use them, but developers and property owners are welcome to use them.

WHAT'S THE PROCESS?

INITIATE

(NOW - JULY)

- Initial consultation with City staff
- Pull inspiration imagery
- Develop initial concepts

CONSULT

(NOW - OCTOBER)

- Presentations at Mayor & Council meetings
- Meetings with the public
- Online survey

FINALIZE

(OCTOBER - NOVEMBER)

- Incorporate feedback into signage design and other selections
- Final documents
